

ENVIRONMENTAL POLICY

Version 2021

Release 06-2021

ENVIRONMENTAL POLICY

INNIO operates its worldwide businesses in a manner that promotes sustainability, protects the public health and the environment, and complies with environmental laws and regulations.

The team at the Welland facility has pledged to operate in an environmentally responsible manner that will protect our employees, customers and neighbors. We are committed to:

COMPLIANCE

- ✓ Comply with all applicable environmental laws and regulations and meet the requirements of our corporate environmental and sustainability policies
- ✓ Ensure all INNIO employees understand the potential environmental impacts associated with their particular job responsibilities and perform their duties using appropriate environmental practices

POLLUTION PREVENTION

- ✓ Periodically evaluate our activities and measure our performance against established goals

CONTINUAL IMPROVEMENT

- ✓ Seek to continually improve our environmental effectiveness and performance
- ✓ Actively pursue pollution prevention programs and, where practical, eliminate or reduce our environmental impacts

With this policy, we include our customers, suppliers and all other external stakeholders.

We expect full support from all. Everyone matters.
