

# QUALITY POLICY

**At INNIO we are committed to Quality in everything we do:**

We **develop and deliver affordable and reliable solutions** for our customers, earning their loyalty as we help them to achieve success.

We drive **continuous improvement to products and processes** with timely resolution of quality defects and increasing robustness in our design.

We **inspire and empower our employees** to own and promote Quality and Customer Focus as an integral part of our business process and culture.

We provide the necessary **knowledge and training** to our personnel to assist them to fulfill customers expectation and to achieve our goals and objectives.

We identify **risks and opportunities** that could affect the quality of our products and processes and establish controls to avoid or mitigate negative impact for our organization and for its interested parties.

Our **top management takes responsibility for our quality management system** and reviews its implementation, status and effectiveness regularly.
